

RICE UNIVERSITY MATERIAL TRANSFER AGREEMENT OUTGOING MATERIAL

MATERIAL: _____

Please be specific about the materials, the quantities being sent, etc.

Should these materials be considered as confidential materials of Rice? Yes No

Are these materials biological non-biological?

Faculty Provider: _____ Phone: _____ E-mail: _____

Department: _____

Alternate Contact: _____ Phone: _____ E-mail: _____

CONTACT INFORMATION-RECIPIENT ORGANIZATION

Recipient Organization: _____ Recipient Scientist: _____

Administrative Contact: _____ Phone: _____ Email: _____

Address: _____

1. Research [Please provide or attach a brief description of the proposed research using the Material]:

2. Will you collaborate on the Research using the Materials with the Recipient Scientist? Yes No [If yes, please explain – will data Yes No or materials Yes No be returned to you?]:

3. Do you want results from the use of the materials by the Recipient Scientist (other than data referenced in #2 above) sent to you? Yes No

4. Is the Material part of an invention that you have disclosed or anticipate disclosing to the Office of Technology Transfer? Yes No [If yes, please explain]:

5. Is the use, disclosure or transfer of the Material restricted by any third-party agreements or rights (were the materials created by you at another university or under a sponsored research agreement)? Yes No [If yes, please explain]:

6. Should there be any specific restrictions on the Recipient's use of the Material? Yes No [If yes, please explain]:

7. If the Material or related methodology has been described in any publication provide the citation:

8. What is the cost for preparation and shipment of the material? (Only required if the Recipient Organization is a commercial entity)

9. Do you, any other Investigator(s) working with the Material, or any family members or persons living with you have any financial interest in the Recipient of the Materials or in any other entity which might be affected by the results of the proposed Research? Yes No [If yes, please describe the financial interest]:

10. The requested material contains (check all that apply): Recombinant DNA, Synthetic Nucleic Acids,
 Eukaryotic Virus Vectors (i.e., lentivirus, AAV, etc), Toxin molecules or the DNA for toxin molecules,
 Material derived from human subjects (such as tissues, fluids or human data),
 Material for use with or derived from live animals, None of the above.

- If you checked ANY of the boxes other than “none of the above,” provide an active Rice IBC, IACUC, and/or IRB number: _____

11. Will your research using the Material relate to or be used in any way for military applications? Yes No

12. Were the Materials made or will they be made using grant or contract funds? Yes No If yes, please list the grant or contract sponsor: _____ and R Fund Number(s): _____

13. Is Recipient working on a funded grant or contract with you for this research? Yes No If yes, please list the grant or contract sponsor: _____ and R Fund Number(s): _____

14. The term of the MTA should be for 1 year, 3 years, 5 years or other: _____

CERTIFICATION

I agree that if the Research involves (a) human subjects, (b) animals, or (c) recombinant DNA techniques, (d) radioactive materials, (e) hazardous (d) chemical waste, (f) bio-hazardous material or (g) infectious agents, I will obtain the required University approvals prior to shipping the Material. I certify, to the best of my knowledge, that the Research involving these Materials will be conducted in accordance with all applicable requirements including any sponsor policies, regulatory requirements and/or laws.
